

RoHS and REACH CERTIFICATE OF COMPLIANCE

RoHS Based on information obtained from our component suppliers, this document certifies that ALL Transforming Technologies' products are "RoHS-5" compliant and do not exceed the designated levels of Cadmium, Hexavalent Chromium, Mercury, Polybrominated Biphenyls or Polybrominated Diphenyl Ethers legislated under the provisions of the European Parliament and Council Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (2002/95/EC) and regulations promulgated thereunder, collectively, the "RoHS Regulations." Lead is the only exception and is used in added solders and on some component lead finishes. Additionally, based on such information, Transforming Technologies' products do not contain Deca Brominated Diphenyl Ether (Deca BDE) legislated under the provisions of the European Commission Decision of 13 October 2005 (2005/717/EC), and do not contain as intentional additives Perfluorooctylsulfonates (PFOS) legislated under the provisions of the European Parliament and Council Directive 2011/65/EU. Transforming Technologies is compliant with EU Directive 2015/863 (RoHS 3)

Reach Based on information obtained from our component suppliers, this document also certifies that NO Transforming Technologies' products contain Substances of Very High Concern (SVHC) as listed by the European Chemicals Agency (ECHA) under the provisions of Regulation (EC) No. 1907/2006 of the European Parliament and of the council concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) per the ECHA 18/06/2010 and previous updates. Transforming Technologies is compliant with SVHC List REACH 197

The provisions of this certificate supersede and replace the provisions of all other certificates previously delivered relating to compliance with the RoHS Regulations.

Additional information about Transforming Technologies' RoHS products may be found on Transforming Technologies' website at <http://www.transforming-technologies.com>.
